

★ HARDROCK`N`BOOGIE ★ **RAILROAD**

Inspired and influenced by the experimental guitar music of the late 60's and early 70's, Railroad created their very own sound.

The "Railroad Boogie"!

Railroad is a highly experienced live band which has played in Clubs and on Festivals all over Europe. The band is able to get the crowd within no time and take them on a wild Rock'n'Roll ride.

Arne Dieckmann (Guitar, Voc) born in Hamburg, Germany is living in the Netherlands today. In 1989 he was a forming member of **Railroad**!

He played in several bands and projects besides **Railroad**, but this band always was and will be his first and his last love.

Steffen Grund (Bass, Voc) was born near the French border. Before moving to Hamburg, Grund played in various bands and once arrived in Hamburg he played the guitar in **Railroad** until 2005. The contact to Arne Dieckmann never broke off and in 2010 he returned to the band, this time on bass.

Ole Hoffmann (drums, voc) born in Hamburg, played in **Railroad** until 2007 and recorded EP's like "Damned Right", "Girls, Guitars, Rock'n'Roll" and the iconic album "Where To Go" with him.

He has been in various bands and projects and is now back in the rhythm section of **Railroad**

★ HARDROCK`N`BOOGIE ★ RAILROAD

After the release of the studio albums "Where To Go"(2007), "something good"(2009), the live album "...on the run....live in the Netherlands!"(2011), "Railroad" (2015), a studio visit was on the calendar again in 2019. In May 2019 the band released their 5th long player called "Narration", which is probably the most personal in the band's history so far. The international press welcomed the album with open arms.

World Of Metal - Portugal:

Old School Hard Rock sounds great to us, especially if we like Rose Tattoo or of course AC/DC, with an almost Southern/Country feel!

Australian Rock Show - Australien:

Narration is the new album from hard rocking' boogie stalwarts Railroad and no frills denim clad be your penchant, then make an effort to check these guys out!

Rocktimes - Germany:

With their passionate performance on "Narration", Railroad give us a testament to their enthusiasm and a little of the exuberant joie de vivre that George Thorogood has been blowing our minds through for so many years.
