

★ HARDROCK`N`BOOGIE ★ RAILROAD

- "Rock'n'Roll, Ladies and Gentlemen, Rock'n'Roll" -

Touring through Europe with the US hard rock band "Little Caesar", with the Georgia Satellites legend "Dan Baird And Homemade Sin" and many other international bands. Living on the road.

The members of "Railroad" have already done all of this over the years they have been active.

Whether it's festivals or clubs all over Europe, there aren't many stages on which the musicians of the hard rock 'n' boogie band haven't already stood.

Railroad always knew how to impress with their experienced live performance.

Arne Dieckmann (Guitar, Voc) born in Hamburg, Germany is living in the Netherlands today. In 1989 he was a forming member of Railroad! He played in several bands and projects besides Railroad, but this band always was and will be his first and his last love.

Steffen Grund (Bass, Voc) was born near the French border. Before moving to Hamburg, Grund played in various bands and once arrived in Hamburg he played the guitar in Railroad until 2005. The contact to Arne Dieckmann never broke off and in 2010 he returned to the band, this time on bass.

Ole Hoffmann (drums, voc) born in Hamburg, played in Railroad until 2007 and recorded EP's like "Damned Right", "Girls, Guitars, Rock'n'Roll" and the iconic album "Where To Go" with him. He has been in various bands and projects and is now back in the rhythm section of Railroad.
