- "Rock'n'Roll, Ladies and Gentlemen, Rock'n'Roll" -

Inspired and influenced by the experimental guitar music of the late 60's and early 70's, The **Railroad** created their very own sound.

The "Railroad Boogie"!

Active for over 30 years and whether as support of Little Caesar(USA), Dan Baird And Homemade Sin(USA), Stacie Collins(USA), etc. or as the main act.

The **Railroad** always knew how to impress with their live presence and experience, which was gained from performances all over Europe.

The joy of playing, the fun and the contact with the audience are the priorities of the performances and the band is able to take the audience on a wild Rock'n'Roll ride within a very short time.

**Arne Dieckmann** (Guitar, Voc) born in Hamburg, Germany is living in the Netherlands today. In 1989 he was a forming member of The Railroad! He played in several bands and projects besides The Railroad, but this band always was and will be his first and his last love.

**Steffen Grund** (Bass, Voc) was born near the French border. Before moving to Hamburg, Grund played in various bands and once arrived in Hamburg he played the guitar in The Railroad until 2005. The contact to Arne Dieckmann never broke off and in 2010 he returned to the band, this time on bass.

Ole Hoffmann (drums, voc) born in Hamburg, played in The Railroad until 2007 and recorded EP's like "Damned Right", "Girls, Guitars, Rock'n'Roll" and the iconic album "Where To Go" with him. He has been in various bands and projects and is now back in the rhythm section of The Railroad.
